Dear Elmer Library Patrons,

The Elmer Library has recently joined the South Jersey Regional Library Cooperative, a consortium for providing e-books and e-audio books to its patrons. Through this site, patrons will be able to access a digital collection of over 5,000 e-book titles in addition to 3,000 e-audio books. Using the portal OverDrive, patrons will be able to download titles on a number of electronic devices including I-phones, I-pads, Nooks, Kindles, Androids as well as laptops, notebooks and computers.

You can browse the collection, borrow with your library card, and enjoy on your computer, tablet, smartphone or eReader device. Most borrowed eBooks can be enjoyed immediately in your web browser with OverDrive Read. Or, you can download eBooks into free software, Adobe® Digital Editions, or send to your Kindle® device or app. Downloaded eBooks can be transferred to eReader devices such as NOOK®, Sony® Reader™, and many more.

Once downloaded, titles can be enjoyed immediately or transferred to a variety of devices, including iPod® and many others. Some audio titles can also be burned to CD to listen on-the-go.

Users with smartphones or tablets can install the OverDrive Media Console app to directly download EPUB eBooks and MP3 audiobooks titles to their device. No matter how you plan to enjoy, titles will automatically expire at the end of the lending period. There are no late fees!

Library patrons wishing to access the e-books will need to contact the library, as new ID numbers will be assigned for operating purposes. Annual membership fees must be paid for the current year in order to access this service. There will be an additional annual fee of \$10.00 for families and/or \$5.00 for individuals who wish to be part of the e-book .

New ID numbers will not be distributed without receiving the required fees.

If interested, please contact the library either by calling (856) 358-2014 or e-mailing [elmer.librarian@comcast.net](mailto:elmer.librarian@comcast.net).
